Petrothene LR734002

A product of Equistar Chemicals, LP

Dear Michael A. Dodd:

For compositional information on our products, please consult the appropriate regional SDS and Sales Specification or Technical Data Sheet. We do not routinely analyze for materials not listed on a product's Sales Specification, Technical Data Sheet, or not expected to be present in our products.

The chemical materials listed below are not intentionally used in the manufacture or the formulation of this product. However, this product has not been tested for these chemical materials:

- ▶ Perfluoroalkylated Substances; PFAS

The information in this document is, to our knowledge, true and accurate at the time and date of issue. Due to possible changes in the laws and regulations, or other reasons, we cannot guarantee that the status of this product will remain unchanged.

Should you have further questions concerning a LyondellBasell product, or if we can assist you in any other way, please do not hesitate to contact us.

Best regards,

A handwritten signature in black ink that reads 'Andy Scheie'.
